DRAW KNUFFLE BUNNY IN 6 STEPS!

YOU WILL NEED:

Kennedy Center Education Artist-in-Residence at Home

If you know how to draw shapes and write your name, you are ready to draw Knuffle Bunny!

That's because drawing is just a bunch of shapes and letters put together in the right order. Let's try it!

1

Start by drawing a sideways number 8.

2

Inside the 8, add two dots. Those are eyes.

3

Below the eyes, draw an oval and darken it in. Knuffle Bunny has a nose!

4

Draw a big zero around the eyes and nose. That's the head.

5

Draw a long number **1** from the nose to the bottom of the head.

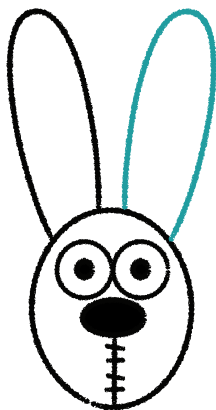

Add short sideways number **1s** for the stitching.

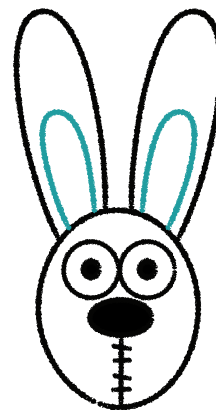

6

Draw a very long letter **U** on one side of the head.

Then draw another letter **U** on the other side.

Now add two smaller **Us** inside each ear.

FINISHED!

What a great job! Don't forget to sign your name so everyone can see what a great job **YOU** did drawing Knuffle Bunny!
