VISION

The Albuquerque Arts Community, in partnership with the Albuquerque Public Schools, will invest in art instruction to actualize the potential in the hands of each student to cultivate the wonder of childhood that fosters innovators and to empower their unique expressions of identity in ways that celebrate our diversity and create a flourishing Albuquerque.

GOALS FOR ARTS EDUCATION

1. Create arts programs for students that include arts instruction and integration provided by arts specialists, artists, community organizations, and classroom teachers in all art forms for every grade, every year. 2. Construct culturally relevant arts education that encompasses student identity and diversity, is innovative and creates a sense of community. 3. Provide professional development opportunities for teachers, teaching artists, and community providers in arts integrations and discipline-specific arts education. 4. Organize systems for clear communication and collection of data to advance advocacy and implementation of community-wide arts policies. 5. Cultivate funding sources to support the implementation of the goals for AGCA.

OUTCOMES

- Students will receive robust arts education experiences.
