VISION

Any Given Child- Iowa City, a program of the John F. Kennedy Center for the Performing Arts, uses local arts resources to provide equitable access to diverse, interactive, and inspiring art experiences during the school day for every K-8 student in the Iowa City Community School District.

GOALS FOR ARTS EDUCATION

- Programming: Implement and evaluate fine arts programs for each grade K-8
- Programming: Continue to work with partners to with programs that meet the needs/interests of individual schools
- Communications: Provide regular communication of information to principals, parents, donors, Foundation Board, and the community about AGC programs.
- Resources: Provide the music and art teachers with resources from the Kennedy Center both in support and with digital programs

OUTCOMES

- Feedback from students, teachers, and principals that shape future programs to better meet the needs of the teachers and students.

Ensuring the Arts for **ANY GIVEN CHILD**

- Additional arts programming that meets the interests and curricular needs of our district.
- Increased awareness of local arts resources communicated to teachers, principals, and parents.
- Greater understanding about AGC to administrators, parents, Foundation Board, and the community about AGC's programs and work.
