VISION

AGC Sacramento is committed to meaningful and diverse arts learning experiences for students in Sacramento County. In developing deep community partnerships, we will ensure that all TK-8 students can access quality arts opportunities, thereby creating a long-lasting arts education culture in our schools, families, and communities

GOALS FOR ARTS EDUCATION

- Work with the Sacramento Arts Education Consortium to strategically position AGC as a primary arts education program in all 13 school districts in Sacramento County;
- Build the capacity of local nonprofit arts organizations to provide resident arts education programs in TK-8 classrooms and provide high quality arts enrichment through interactive arts assemblies and field trips;
- Implement an arts education advocacy campaign and develop a regional plan for AGC to garner more support from local school boards, school district superintendents, policymakers, and local funders;
- Build the arts education capacity of teachers and school arts specialists through scaffolded professional development.

Ensuring the Arts for **ANY GIVEN CHILD**

OUTCOMES

- Embed AGC programs into all 13 Sacramento County School Districts;
- Strengthen arts exposure experiences and residencies through community of practice work and professional coaching for nonprofit arts organizations;
- Work with Friends of the Arts to develop advocacy campaign and fund development to support arts education in the region;
- Work with Sacramento County Office of Education to support participating school districts and coordinate program details;
- Increase the number of teachers trained in arts integration by 25%
