VISION

We believe that all Tulsa Public Schools students must have equal access to sustained, high quality learning in the visual and performing arts. Every K-8 student should engage in live arts experiences through partnerships across the community and with arts specialists and classroom teachers who integrate the arts into ongoing classroom learning and connect students to the world around them. We value opportunities for all Tulsa children to create, communicate, and think in concrete and abstract ways. For Tulsa children, families, and the community, the arts are essential.

GOALS FOR ARTS EDUCATION

1. Every K-8 student will engage in a high-quality standards-based curriculum that encompasses both district and community resources.
2. Sustain AGC-T through an effective infrastructure.
3. Raise public awareness, community-wide, that the arts are essential.
