### VISION

Any Given Child Chattanooga – Hamilton County is committed to achieving equity and access to high quality arts learning experiences and creative expression within every school, family, and community. This collective effort cultivates a strong network for facilitating welcoming, inclusive, connected, and engaging opportunities for all.

### GOALS FOR ARTS EDUCATION

- All Hamilton County students have rich, standards-based learning experiences in, through, and about the arts.
- All community members benefit from increased engagement opportunities provided by a vibrant network committed to quality arts education.
- All community stakeholders collectively advocate for ongoing investment in arts education by cultivating a climate of shared accountability.
